# AFDEL ABOOBACKER

## MERN STACK DEVELOPER

afdelaboobacker7@gmail.com | 8075187829 | Kasaragod, Kerala, India | LinKedIn | GitHub

## Profile

MERN Stack Developer with internship experience in building scalable web applications using React, Node.js, Express, and MongoDB. Skilled in creating responsive UIs, integrating APIs, and optimizing performance

## Professional Experience

**MERN Stack Intern,** *Techolas Technologies*                  07/2025 – Present
                                                                                                Calicut

- Contributed to developing and maintaining web applications using **MongoDB, Express.js, React.js, and Node.js**.
- Built responsive **user interfaces** with React and integrated RESTful APIs for dynamic data handling.
- Debugged and optimized code for better performance and scalability.

## Skills

**Technical Skills**

- Programming languages: JavaScript
- Frontend: HTML, CSS, React
- Version Control: Git, GitHub
- Database: MongoDB

**Soft Skills**

- Communication
- Problem Solving
- Time Management

## Education

**Bachelor Of Computer Science & Engineering,** *Yenepoya Institute Of Technology*     10/2021 – 06/2025
                                                                                                                                                    Mangaluru

## Projects

**Sign Language Interpreter**                                                    09/2024 – 01/2025
